

EDUCATION VISITS – GENERAL INFORMATION

Introduction - Arundel Castle provides fantastic opportunities for educational visits. With a colourful history stretching back nearly 1,000 years it makes a perfect educational resource for many aspects of Key Stages 1, 2 and 3 of the National Curriculum. The aim of the Arundel Castle Educational Programme is to help students with their study in an informative, enjoyable and memorable way.

The tours are led by an Education Guide to the relevant parts of the Castle. A hands-on session in the Education Room with an experienced guide provides an opportunity to handle artefacts and/or weapons also to try on costumes relevant to the period of study. Students are welcome to wear their own costumes.

We no longer provide pupil workbooks as pupils are encouraged to observe and participate in asking/answering questions and handling a range of artefacts. Also the carrying of clipboards/workbooks can be a hazard on the numerous Castle steps. A teacher's resource pack provides details of the tour and answers to the questions raised for follow-up sessions at school. This will be sent when the booking is made.

Tours last approximately 2.5 hours, excluding break times, these are time-tabled and can be adapted for shorter visits if required. During the tour, teachers are responsible for maintaining discipline.
